Merchant Response

The merchant asserts that the transaction for order_WIN_TEST1788541072 was valid, the goods were delivered to the customer's address, and no refund has been issued, making the chargeback claim unfounded.

The logistics record for order_WIN_TEST1788541072 shows a status of DELIVERED. The shipment was handled by BlueDart under tracking number AWB-541072 and was recorded as delivered on 2026-09-02T16:57:56.931439+00:00. Proof of delivery is available, with a POD URL provided (https://cdn.aegisflow.mock/pod/order_WIN_TEST1788541072.pdf). The delivery was made to the address in Koramangala, Bangalore, Karnataka after a single delivery attempt.

Customer relationship management data indicates that there has been one support ticket associated with order_WIN_TEST1788541072. The latest ticket status is CLOSED. The chat summary from the ticket notes that the customer requested a refund because the color of the item was perceived as incorrect; there is no mention of non-delivery or receipt issues. The merchant's fraud risk score for this transaction is 0.15, indicating a low likelihood of fraudulent activity. No refund has been issued for this order.

The transaction amount is 9500.0 INR. All evidence confirms that the product was dispatched, successfully delivered, and that the customer's communication pertained only to a color discrepancy, not to the receipt of the item. The absence of any delivery-related complaint, combined with the delivery confirmation and low fraud risk score, supports the merchant's position that the chargeback is not justified.

The merchant therefore requests that the dispute be resolved in favor of the merchant, as the evidence demonstrates fulfillment of the order and no basis for a chargeback under the fraud claim.
